Keynote members are working hard to publish their colorful Christmas issue. This night-shift is only one of many held through the year to assemble a note-worthy paper. To meet deadlines the efforts of many are combined to produce one paper.

A Fair Exchange

The Class of 1961 has been fortunate to have Guillermo "Willie" Ferla, Foreign Exchange Student representing Uruguay, as a member of the Senior body.

His cheerful smile and warm personality toward all students demonstrate his willingness to further understanding among the people of North and South America.

Willie made his home with the Frank Heselton family while he was in Sault Ste. Marie. His American "sister" and "brothers" were Mildred, Richmond, and Fred.
